

HELP US CELEBRATE

25 YEARS OF CAG

Sponsorship Proposal: CAG Oxfordshire 25th Anniversary Celebration

For a quarter of a century, Community Action Groups (CAG) Oxfordshire has been at the heart of local climate action, circular economy initiatives, and social inclusion.

To mark this milestone, we are producing a commemorative film and hosting a networking celebration in 2026. We are looking for sponsorship and supporters to help celebrate with us.

About the celebration

We think 25 years is worth celebrating!

The event will take place on
Tuesday 22nd September from 5:30pm at St Johns College, Oxford.

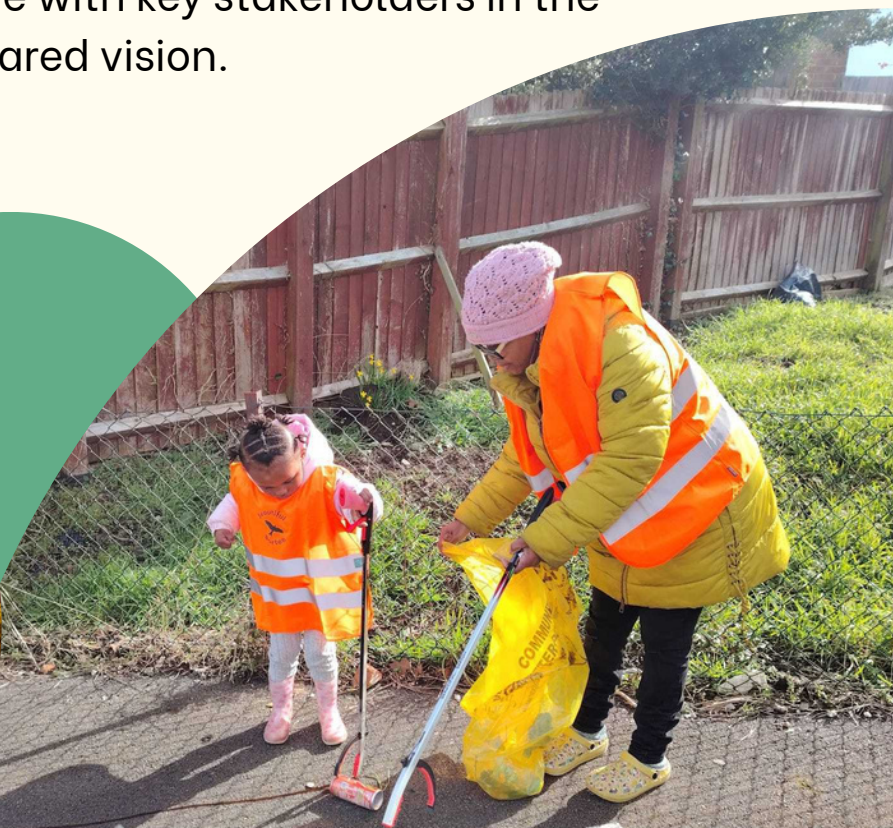

The aims of the film and event are:

- To capture the evolution of the CAG network over last 25 years, highlight our key partnerships, and most importantly capture stories of a range of CAGs.
- Use the film as a promotional tool for our work and that of our members and partners.
- Celebrate contributions – past and present – of those who have made the CAG network what it is today.
- Create a positive moment in an increasingly negative news-driven world.
- Provide networking opportunities and a chance for connection for a wide range of stakeholders, including CAG member groups, local authority officers, and partner organisations.

Sponsorship Benefits

By sponsoring this event, you are directly supporting the visibility of community-led climate action in Oxfordshire. The celebration aims to:

- **Highlight Success:** Capture the 25-year evolution of the CAG network.
- **Share Stories:** Featuring a diverse range of member groups from every district, focusing on nature, energy, waste reduction, and social equity.
- **Boost Morale:** Provide a joyful networking space for community leaders, businesses and residents of Oxfordshire involved in making the County a safer, fairer, greener, and more sustainable place to live, work and visit.
